30 September 2016

Dear Parents/Carers

I am writing to inform you that Year 7 will have their first 'Dynamic Day' on Monday 3<sup>rd</sup> October.

Dynamic Days are an essential part of our thematic curriculum as students explore different concepts in different contexts. As it is a cross curricular day, students will have the opportunity to attend various workshops around rhythm, art, music and movement. To coincide with our year 7 theme of 'This is Me', performance poet Jess Green will be visiting the school. She will perform for students and then help them write their own poems about themselves. The day will culminate with a 'poetry slam'.

Students are expected to come to school ready to learn and fully equipped for the school day.

If you have any further questions, please do not hesitate to contact me at school.

Kind regards

Mrs K Kukkuk  
Leader of Humanities & PSHE
