

25th February 2019

Dear Parents/Carers,

Big Battery Hunt

As a local school committed to protecting our environment, we have signed up to the 'Big Battery Hunt' recycling challenge.

Each year 7 student will receive a small battery recycling box and we would like to encourage students to fill the boxes with used batteries.

We have arranged for a recycling collection on Friday 24th May and would appreciate if students can return the recycling boxes by this date. There will be a prize for the form group returning the most filled recycling boxes.

Each school will be entered into the Big Battery Hunt prize draw. By helping us to recycle as many batteries as possible, our school could win:

- A 2-night class trip to the sustainability centre;
- A 3-year subscription to MyMaths worth £1000;
- £2000 worth of school equipment vouchers;
- iPads;
- Certificates and trophies;

We appreciate your continued support.

Mrs K Kukuk
Leader of Humanities & PSHE
