

14th February 2019

Dear Parent/Carer,

Year 8 PiXL Edge Initiative

As you are aware, The Wren School is always looking for further opportunities to develop our students as rounded citizens, both within the local and global community. This year, we have decided to take part in PiXL edge. This is a framework that is aimed at developing and accrediting students with skills, attributes and attitudes essential for employability. Part of this involves students carrying out community service, whether that be within or outside of school hours. We have decided to provide year 8 students with the opportunity to undertake some of this within school.

Certain students will be selected to carry out a half day of support for The Wren School admin team. For three periods on a chosen day, your child will base themselves with a member of support staff where they will carry out admin based tasks. Work will be provided for them to complete independently when there are no jobs to be completed. This is a system that many secondary schools have in place and we feel that it would be extremely beneficial and rewarding for many of our students.

If you have any further questions regarding this, please do not hesitate to contact the school either by phone or email admin@wrenschoo.org.

Kind regards,

Mr D Zell
Assistant Headteacher – Pastoral Leader
