

4th April 2019

Dear Parents/Carers,

Social and Moral Values Dynamic Day

I am writing to inform you about the next exciting Dynamic Day that Year 10 will experience which will take place on Friday 26th April.

Dynamic Days are an essential part of our PSHE curriculum. As it is a cross-curricular day, students will have the opportunity to attend various workshops around the theme of 'Values'. Students will have the opportunity to attend sessions on various topics:

- Exploitation (delivered by Brighter Futures for Children);
- Tobacco and alcohol awareness;
- Mental Wellbeing.

Students are expected to come to school ready to learn and fully equipped for the school day.

If you have any questions, please do not hesitate to contact me at school.

Kind regards,

Mrs K Kukuk
Leader of Humanities & PSHE

Mrs M Grant
Leader of Year 10
