1st May 2019

Dear Parents/Carers,

AIM HIGH at GCSE meeting - Thursday 9th May at 4.30pm

I am sure that it has not gone unnoticed that your child in year 10 is one year away from taking his/her GCSE examinations. The progress that he/she makes between now and then will determine his/her grades and, in turn, these will affect career choices and life chances. Whether your child is someone whose hard effort is already leading to good progress or they still need to step up and work harder on harder work, we want to work with you to ensure that GCSE Results day on Thursday 20th August 2020 is a day when each student, as well as you, can feel proud of their achievements.

With this in mind, I would like to invite you to an information evening on Thursday 9th May at 4.30pm in The Wren School Theatre. The meeting will start with an opportunity for you to find out from different subject leaders about strategies that each child can adopt to help them to improve their current grade. This will take place in the restaurant, where each subject leader will have an area where you can talk to them. This will be followed by a short presentation, starting at 5.45pm when various members of staff will talk about an aspect of preparation for GCSE success. We hope to see as many of you as possible on this occasion, with your child, to ensure that we are all working together to support each student to aim high.

Kind regards,

Mrs J Broadhead
Headteacher
