- You may be directed to pre-planned videos – these are very high quality.
- You should have a real time live lesson at least once a week.
- A quiz, or an activity which checks your understanding will happen every fortnight.
- If you are stuck you should email the department helpdesk – details are below.
- Work is set, and submitted, on MS Teams.
- If your teacher does not see, or hear, from you within a week they will contact home via email or telephone to find out why you are not completing your learning.
- If you do not have access to the technology you need you should contact your form teacher.
