

## Summer Reading

Please buy a copy of *Never Let Me Go* by Kazuo Ishiguro and READ IT before you return in September.

Get this version:

Publisher: Faber & Faber, ISBN: 978-0571258093

On Amazon you can buy a second-hand copy cheaply and that's fine. Be aware that it might have a different cover from the one shown here.

Your other texts will be provided to you in class in September
