Record Numbers

We had a fantastic Open Evening on Tuesday 5th October, which saw nearly 900 visitors join us. They were able to get a glimpse of what life at The Wren is like and hear about our vision and values from Mr Salberg. A massive thank you to all the students and staff whose hard work and commitment made the evening such a success.

Unifrog

Sixth Form students have an email to their school account from Unifrog, a careers based resource. Students need to log on and fill in their account. Year 13 students can start using it to write their personal statements and UCAS applications.

Safety First

There is a new popular show on Netflix called Squid Game. This series has an age rating of 15, and includes scenes of intense violence and promotes gambling. We are concerned that some of our younger students are watching this material and would strongly advise against watching this program. If you have any concerns regarding this topic, please get in contact with Rebecca Jeffreys.
