Background

The 16 to 19 Bursary Fund was introduced in 2011. It is money the Government has given to local authorities, schools, colleges and other education and training providers (institutions) to give to disadvantaged students. Its purpose is to provide financial support to help students overcome specific barriers to participation, so they can remain in education.

A guide for young people and their parents is available on the 16 to 19 Bursary Fund page <https://www.gov.uk/1619-bursary-fund>

There are 2 types of 16 to 19 bursaries:

- Guaranteed bursaries of up to £1,200 a year for young people in one of the defined vulnerable groups below.
- Discretionary bursaries that we will award to meet the individual needs and circumstances of our students. Our bursary awards will be targeted towards those young people who face the greatest financial barriers to participation; such as transport, meals, books, clothing for school and equipment.

The Wren School is responsible for managing both types of bursary. Students who want to apply for support from the bursary fund should make their application as soon as possible. All applications are dealt with confidentially and each student who applies for the bursary must provide evidence to back up their application.

1. Guaranteed Bursaries

Most students who get support from the bursary will receive a tailored award from the discretionary bursary (see below). Students in one or more of the groups below need more support and can apply for a vulnerable bursary of up to £1,200.

The eligible groups are students who are:

- in or recently left local authority care
- care leavers
- getting [Income Support](#) (IS) or [Universal Credit](#) (UC) because you are financially supporting yourself
- getting Disability Living Allowance (DLA) in your name and either [Employment Support Allowance](#) (ESA) or Universal Credit
- you get [Personal Independence Payments](#) in your name and either ESA or Universal Credit.

Please note that to qualify as eligible for a vulnerable student payment you do not have to be living independently of your parents; you can claim ESA or UC in your own right. Parents should note that they will not be able to claim Child Benefit for them if the young person's claim for ESA succeeds.

2. Discretionary Bursaries

Students that apply will be assessed individually and awarded a bursary based on their actual financial need. This assessment will be documented and the evidence obtained to support the amounts being claimed retained for audit purposes. We will:

- assess each student's actual need for financial help before deciding to make an award, and if so how much
- document the assessment, get evidence to support the amounts being claimed and retain it for audit purposes
- set our own eligibility criteria for discretionary bursaries but comply with the basic eligibility conditions of the scheme.
- comply with the requirements of the Equality Act 2010 when setting eligibility criteria and will not discriminate against any students, either directly or indirectly, on the basis of their protected characteristics.
- manage the number and size of discretionary bursary awards to keep within our budget.
- retain a small emergency fund from their discretionary allocation to be used to support students who experience exceptional circumstances during the academic year which impact on their ability to participate.

Household income	Discretionary Bursary /year
Up to £20,000	£800
£20,001 -£25,000	£450
£25,001 - £30,000	£250

The table above is for guidance only. The actual amount paid depends on the number of qualifying applicants in any given year and also the remaining balance of the fund.

3. Who is eligible to apply for 16-19 Bursary Funding?

Students following government (ESFA) funded full time or part-time courses, who are 16 years and over and satisfy one or more of the following criteria:-

- Students aged at least 16 and under 19 years of age on 31/08/22 who are in care, are leaving care, are in direct receipt of Income Support (or Universal Credits) or are disabled and in receipt of both Employment Support Allowance and Disability Living Allowance or Personal Independence Payments in their own right.
- Students who are economically or socially disadvantaged and at risk of not taking up or continuing in their education. This group includes students with physical or other disabilities, medical conditions and/or learning difficulties.
- Students who were eligible for Free School Meals in Year 11
- Students who have been in care, on probation, are young parents or are otherwise considered at risk.
- Students who are asylum seekers.
- Students who are Refugees (who will have access to 16-19 Bursary Funding if they are in receipt of supportive evidence from DWP).
- Students who are lone parents.

4. Who is not eligible for 16-19 Bursary Funding?

- Students under 16 years of age or over 19 years of age on 31/08/22 (Where a young person turns 19 during their programme of study, they can continue to be supported to the end of the academic year in which they turn 19, or to the end of the programme)
- Students who do not meet the residency qualifications.
- Students who do not fulfil any of the criteria described above.

5. Residency qualifications

- Students must meet the residency criteria in ESFA funding regulation for post-16 provision in the 2022 to 2023 academic year. This document also specifies the evidence institutions must see and retain for audit to confirm eligibility.

6. Proof of income

- Proof of evidence will be required to support all applications and could include:
- Documentation regarding proof of entitlement to Free School Meals.
- Certified letter from the DWP.
- P60 (additional evidence will also be required)
- Self-Employment Income evidence
- Other means tested certification

7. How will The Wren School assess applications and allocate 16-19 Bursary funding?

The 16-19 Bursary Fund is a limited fund and the academy will prioritise allocation. Students who are eligible for any level of funding should complete an application form and hand it to the Principal via the Head of Sixth Form as soon as possible, and **no later than 30th April 2023**. A Bursary Fund Committee will meet to consider applications at all levels. Students who are deemed eligible should be aware that to continue to receive a bursary/funding:

- There must be regular attendance and no unauthorised absences.
- They must maintain acceptable levels of behaviour, effort and progress and the Head of Sixth Form will be consulted.

8. The Bursary Fund Committee

The Bursary Fund Committee will meet up to three times per year to consider and review applications. Emergency meetings may be called if required and additional meetings may be called to consider late claims if funds allow.

The Bursary Fund Committee will be made up of the Head of Sixth Form, the Principal, and the School Business Manager.

The Head of Sixth Form does not make decisions about applications but may offer information to the Committee about a student's circumstances, well-being, behaviour, progress and attendance. The Head of Sixth Form can authorise the finance officer to withhold student payments if attendance, behaviour and work rate is not up to the expected standard.

Learners and their parents/carers should understand that the available fund is limited. Any appeals against decisions can be made to the Bursary Committee who will follow the academy's usual complaints procedure.
